I was
passing through a wasteland when suddenly my mind drifted . . .

a
good
dimension.

Was this their intention?
To crash my dimension?

I stepped into the invention
and heard a voice say,

Turn it on Virtual Boy.™

A 3-D game for a 3-D world.

Nintendo®

Virtual Boy is a portable 32-bit 3-D game system, featuring phase linear array technology, digital stereo sound, two high-resolution visual displays, and 3-D graphics that immerse you in the game. Coming soon—stereo headphones and Game Link® cable for head-to-head action.

Turn it on and experience the difference a dimension can make.
