SUPER MARIO 64™

NINTENDO⁶⁴

A quantum leap in software and hardware guarantees that Mario is set to revolutionize the world of video games once again!

15 worlds and 10 special courses come to life in incredible detail!

Advanced texture mapping and fast, seamless and continuous scrolling in every direction!

Sound, color and clarity that completely immerses players in worlds filled with details, puzzles, enemies, traps and obstacles!

The NINTENDO 64® 3-D joystick offers an incredible new gaming experience!

PILOTWINGS 64™

NINTENDO⁶⁴

PilotWings 64™ goes beyond mere simulation: players will believe that they are soaring through the sky!

And we mean the whole sky! NINTENDO 64® recreates it all! For the first time, in real time, players can climb, dive, spin and soar through completely realistic, limitless space! No matter which direction they turn!

27 different courses and 3 different ways to fly: Gyrocopter, Hang Glider, Rocket Belt!

Special Snapshot capability allows players to take aerial pictures!

STAR WARS™ SHADOWS OF THE EMPIRE™

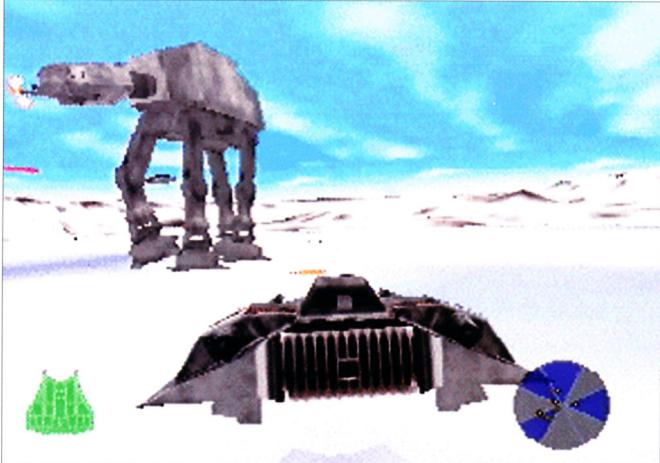

TM & © 1996 Lucasfilm Ltd. All rights reserved.
Used under authorization.

The *Star Wars* saga continues on NINTENDO 64® as players take on the role of Dash Rendar, Luke Skywalker's bodyguard! This is the real thing – developed by LucasArts, *Shadows of the Empire* has all the impact of the hit movies!

Incredible variety includes flying levels that feature jet paks and spacecraft, intense confrontations with the forces of Black Sun and the Empire in galactic cities, underground sewers and perilous cliffs!

Smooth play control is surrounded by amazing and highly detailed graphics featuring texture-mapped 3-D polygons!

NINTENDO 64® makes it smoother, faster and more realistic than the arcade version!

14 courses, 4 cars and hidden surprises! From Hollywood through Chicago to the Appalachians, it's a racing tour de force across the continent!

NINTENDO 64® pulls ahead with amazing speed and – thanks to the advanced controller's joystick – players will have complete control from the smallest swerve to the tightest turn!

Fierce competition, stunning graphics and redline speeds will hook every racing fan!

TM

NINTENDO⁶⁴

NINTENDO 64® creates an entirely new racing experience with realistic water conditions that let you know you've left solid ground way, way behind!

Jump on your jet ski! The N64 joystick puts players in control, transmitting the experience of racing on water!

Four incredible gaming modes for one or two players: beat the clock as you race time and fight obstacles; clear buoys in the Slalom mode; challenge the N64 or another player in VS Race mode or show your moves in VS Stunt mode!

Control, graphics and sounds that put you out on the water!

© 1996 Nintendo/Rare. TM & © 1995 Eon Productions Ltd. & Mac B. Inc.

NINTENDO⁶⁴

Bond is on top in this video game adaptation of the smash-hit movie! Only NINTENDO 64® has the power and finesse to put all the action and realism right in your hands!

Players will recognize the film: we have digitized and texture mapped the characters right into the game! And the places – we've used the actual blueprints from the movie set designs!

Be like Bond: unlike other first-person action thrillers, Bond moves like a real person! And the villains are just as real as he fights to overcome Trevlyan, General Ourumov and the twisted Onatopp!

BLAST CORPS.™

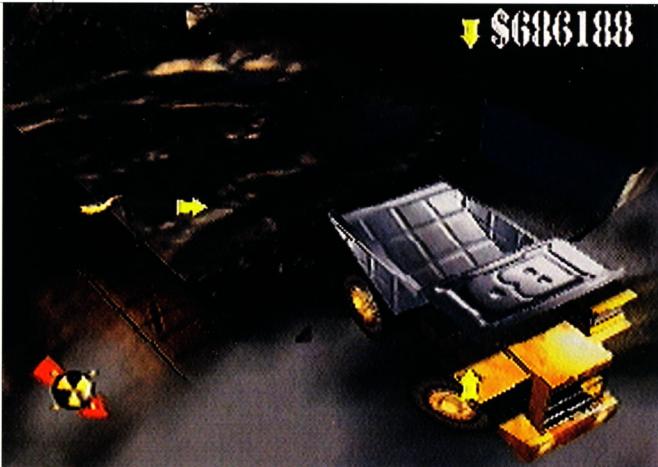

NINTENDO⁶⁴

Explosive action is only the beginning when a rogue missile carrier malfunctions and threatens millions of lives!

Blast Corps.™ players must clear the way, making sure the missile carrier has no obstacles to collide with!

Use different vehicles and armaments to clear a path through level after level of high-pressure action!

Players will discover incredible bonus areas, loads of levels and – thanks to NINTENDO 64® – more than enough firepower to win!

SUPER MARIO KART R

NINTENDO⁶⁴

One of the greatest race games ever created is even bigger, faster and better on NINTENDO 64®!

Race against the N64 or challenge your friends: up to four players can race head-to-head!

Every cart has its character's own personality, and every course has its own unique features!

Players can pick up and use items that create greater speed, invincibility, or obstacles for their opponents!

Multiple game modes create huge challenges and variety: Grand Prix, Time Attack and VS Match!

The fury flies higher and faster than ever in this breathless sequel to the fantastic arcade and Super NES® mega-hits!

More combos designed to keep the fight flowing at fast forward! All new Pressure Breakers; Rock, Paper, Scissors moves; Combo Breakers and Super Linkers that string combos together for unbelievable and devastating attacks!

New characters join the fray – Tusk, Maya and Kim Wu bring on more moves and total chaos to the contest!

The graphics keep getting better – the moves are fast, smooth and fluid with true 60 frames-per-second animation and a flat-out rockin' soundtrack!

HARVEST BODY HARVEST

TM

What if the only reason humanity existed on earth was to act as a food supply for aliens? *Body Harvest* will take players back in time to eliminate the alien threat that could wipe out all of us!

There's a huge number of vehicles and missions for players to choose from, with incredibly detailed 3-D worlds full of hidden objectives, a rockin' soundtrack, massive sound effects and a mind-blowing variety of alien body harvesters that must be defeated!

Body Harvest is a unique combination of action and strategy! It features huge worlds and great play depth overloaded with countless hidden surprises!

NINTENDO⁶⁴

Kirby and his crew are the stars of this one-of-a-kind new racing/sports title brought to life with incredible speed and graphics by NINTENDO 64®!

Players ride air boards over courses that test their skill with moguls, hills, steep climbs and bottomless drops!

Game control is amazing, offering a variety of moves that were never possible before!

The game courses come in Championship, Time Trial, Practice and Freestyle modes! The system will even generate random courses so players can have a new experience every time!

STARFOX 64

NINTENDO⁶⁴

Star Fox® became the multimillion selling Super FX™ title that transformed 16-bit game play! Now, Star Fox® evolves into an incredible 3-D universe with NINTENDO 64®!

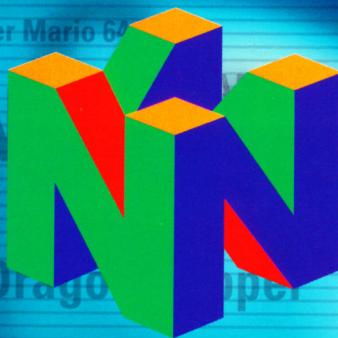

The N64 joystick puts players in the cockpit of their own updated Arwing fighter: with more speed, more power and more control!

Full-scale 3-D lighting and texture mapping add incredible realism!

Players fly in a complete 360° universe as they fight to outfox Star Wolf – the ruthless and powerful bounty hunter!

It's Gonna Be A Scorchin' Hot Tecmo Summer!

Tecmo Part # TCM9006

Peace and Tranquility is shattered when the Evil Lord Homuncrus seizes power from the "Aquatallion". There are five overseers of the Aquatallion who were led by your father. The Evil Lord has destroyed your father. Now, a world of chaos ensues.

You are Ray, a young descendant of the legendary Aquatallion. With the circumstances of your father still shrouded in mystery, you begin to shape a new generation of Aquatallion Warriors. The quest of gathering the other children of this chosen ancestry now becomes your destiny. Together, the children unite in friendship to regain power.

Along the way, you must create your own city and ultimately restore harmony to the world. Even knowing this, questions remain... Where to begin? Is there enough time? Can it be done at all? Only one who knows the secret of the Stars can find the answers.

Tecmo Secret of the Stars Features:

- Unique split party, each with individual control ■ Animated 3D battle scenes
- Battery backup to save 3 different Quests ■ Hours and hours of fun game play

Tecmo Part # TCM9007

Here it is! The complete Ninja Gaiden Trilogy you wanted. All 3 classic Ninja Gaiden games from the Nintendo in 1 Super Nintendo cartridge.

Follow Ryu's adventures as he fights the ancient forces of darkness with his Ninjutsu powers. The Ninja Gaiden series tells a story through Tecmo's unique cinema screen animation.

It's not just fighting, its strategy, cunning, and deception as you learn to pick and use the special ninja weapons and powers you'll need to be successful in this EPIC quest.

Tecmo's Ninja Gaiden Trilogy Game Features:

- Game continue mode ■ Password game saver
- Exciting cinema screens
- Extraordinary weapons ■ Hidden power-ups
- Improved graphics
- Enhanced music and sound effects

TECMO SUPER BOWL III™ FINAL EDITION

Over the past 6 years Tecmo has been making football games for the Nintendo, Super Nintendo, and Sega Genesis systems. Each version has been a substantial improvement over the previous version.

We have been listening to both football and game fans, and have been working constantly to improve

the game. The results of 6 years work is here. It's TECMO SUPER BOWL III: The Final Edition... This game is virtually a NFL football simulator. The player has all of the abilities of the real NFL football teams, coaches, and the real NFLPA players. (We even free agency!)

COMING THIS OCTOBER FOR THE SUPER NINTENDO AND SEGA GENESIS GAME SYSTEMS.

This official seal is your assurance that Nintendo has approved the quality of this product. Always look for this seal when buying games and accessories to ensure complete compatibility with your Super Nintendo Entertainment System.
